***Successfully leading Change in a Healthcare Organization***

### **Moderator:**

*Archie MacKinnon, Health Services Manager- Perioperative Services, Nova Scotia Health Authority*

### **Panel:**

*David Matear, Executive Director- Hospital and Communities, Interior Health West*

*Annika Laale, Organization Development Consultant, Prosci Change Management Certified Advanced Instructor, Unleash Consulting*

The healthcare environment is constantly changing, and provider organization are frequently asked to respond to legislative changes, quality/ safety concerns and patient or staff demand in order to survive and thrive. The success of major change implementation hinges on how it communicated and how it impacts individuals and processes in the organization. This session will assist participants in understanding change leadership and change management. The presenter will share their experiences in leading change at Alberta Health Services and discuss approaches that were successful and those that impeded the change process.

**3:00 pm**

**Adjournment**

**3:00 pm – 5:00 pm**

**Networking**
